RUGGLES CAMPMEETING

Ledger Correspondent Writes Entertainingly of What's Going On

RUGGLES CAMPGROUNDS, July 26th, 1909.

What is it about a Campmeeting that makes it such an attractive and enjoyable place to many? Why do people from year to year set aside these few days to spend at this place and will not for any consideration make any engagement that will run into Campmeeting time? Well, we don't know much about other Campmeetings but think we can speak for this one. Of course, it's always nice to camp out in a nice grove in the summer time and the beauty of this place is the subject of the most favorable comment from every one that comes here. And then to the Christian people, the opportunity of being together, to sing together, to worship and take part in different kinds of religious services for ten days, to hear the best sermons from new men every day, to compare experiences in the different activities of the Church with others who possibly are meeting up with difficulties too, all these things are a benefit and blessing to Christians and they receive that which will encourage them more in their home work after Campmeeting is over. And to children, what times they do have! Just watch them; there is a bunch of boys trying to make a terrapin come out of his castle and walk; don't know where they got him, but there they go, and there goes the terrapin, too, for the naughty boys are using

fire to "warm him up." Shame, boys! This was soon put an end to by the older ones. There is another bunch playing "hide and seek," another swinging, some others hunting green legged frogs in the pond; yes, there is a ball team of kids, with "Uncle Will" Davidson having as big a time as they; and then they keep us drained of pennies, for there are so many things at the confectionery to allure the boys. Who could begrudge the youngsters their good times? What of the older ones? Some are content to sit around and watch the others and occasionally make out they are enjoying a book, but, from personal experience, we find it hard to get interested in an old book with so much else to enjoy. The games of croquet and quoits attract many, and there are not a few professional players of each here. Then there are some "mighty hunters" here but they never bring in any game—just keeping up appearances, that is all. There is some little courting, as a matter of fact. Many a young man, and lady, too, for that matter, have met their fate here, and there never existed a finer place to enjoy love's young dreams. Another class that enjoy themselves is the Preachers. To many of them this is one especially bright spot in the year. It is a treat to be in their company when they are having a jolly social time together. We were with the crowd the other evening when one dignified Minister invited the whole crowd to the icecream parlor, and treated to "all day suckers" and "skyscraper" popcorn. We learned later that those Preachers got even all right. So you see we are just like

a big family here, apparently care free, and through another year we will live over these happy days many times in our minds.

It has been sunshine and showers today and somewhat warmer. Big crowds have attended every service and two very strong sermons have been delivered. Dr. C. M. Jolly preached an extraordinarily strong doctrinal sermon at 10 a. m. on "What is Conversion?" In his plain, distinct and forcible manner he opened up Bible truths that were a revelation to many of us.

At 7:30 o'clock J. E. Williams preached a powerful and impressive revival sermon.

Rev. F. W. Harrop is getting the boys in line. He had a meeting at 9 o'clock this morning for all boys between the ages of 6 and 12 years for the purpose of organization. They

meet again tomorrow at the same hour. Rev. Harrop can always be depended on to do something for the boys.

Rev. W. H. Young and wife of Greenup and Rev. A. H. Davis of Catlettsburg arrived in Camp this evening.

Rev. M. A. Wallingford and W. B. Tully returned from Maysville this afternoon.

Mr. George W. Dye returned home this morning, after spending several very enjoyable days with us.

Mr. Harry L. Walsh and a party of friends were here for a short time this afternoon.

We had missed them all the time, but they arrived today—Mr. and Mrs. Kelly of Mt. Carmel, who have not missed camping here in twenty-five years.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Peppermint Cure. They never gripe. Easy to take as candy.

No. 2 tins only 15c each. Better and cheaper than fresh berries. Make delicious puddings, pies and tarts.

Beware of Ointments For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

What would you be willing to give, man or woman, if you knew how to change your gray hairs to the color of youth, and, if you are a woman, to increase the length and vigor and glossy texture of your hair to an extent, what you ardently crave, but have hitherto as your wildest dreams never thought attainable?

John Birkholz, Omaha City, says: "I used Q-Ban Hair Restorer two weeks; the gray hairs I had have reassumed their natural color." Lucela Mason, this city, says: "Two applications of Q-Ban Hair Tonic stopped my hair coming out, and cured completely an intense itching of the scalp, and removed all dandruff from which I have suffered for years."

We have these testimonials on file in our office signed as above. Q-Ban Hair Restorer and Q-Ban Hair Tonic are not idle dreams, they do the work. If six bottles of Q-Ban Hair Restorer (and it only requires six bottles for the most obstinate case that has ever been treated) fails to bring back your gray hairs to the natural color of youth, your money will be refunded by the druggist of whom you buy the preparation. You know your druggist—ask him. Every gentleman, every well-bred and well-groomed man should use the Q-Ban Hair Tonic; it will save what hair you have; will keep the scalp in healthy condition and will increase the vigor, length and glossiness of the hair. To the needy it is a necessity; to the gentleman or gentleman a fine habit. Ask your druggist.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it.

For sale at all druggists.

DOPED BY THE DOCTORS

The Sawbones Put it on The Pill Mixers in a Rattling Game (?)
Score 18 to 4

The game of baseball yesterday afternoon at the Park, between the Doctors and the Druggists of this city, proved an amusing if not a scientific contest. Of course there were bunches of bad plays, and then some, and it would have taxed the stenographic abilities of half a dozen clerks, secretaries and scorers, to have accurately reported all the details of the "disaster." However, the Doctors were there with the baseball goods and when the smoke and the sweat of battle had been cleared away, the score stood thusly at the end of the sixth inning when the Pillbox crew threw up the sponge:

	1	2	3	4	5	6	R
Doctors	5	3	1	1	4	6	—18
Druggists	0	0	4	0	0	0	—4

Attendance—250.
Time of Game—1 hour and 35 minutes.
Umpire—Chief Harry A. Ort.
Scorer—Houston Hall.
Chief Rooter—Bruce Crawford.

NOTES.

It was hot as—ever.
Mike Swift was swift alright alright.
Willett and Dice in the box seemed to do all the work.
Dock Harover struck the earth with the usual dull thud.
There is some talk of crack nine at Maysville next year.
Hord made a 3-bagger and a home run just to keep in practice.
Dock Taubee's slide to third had Kelley's famous slide skinned a block.
Taking the game all around it was more fun than a barrel of monkeys.
It was moving day with Dock Smoot and his Adonis shape was sadly missed.
Laughlin, M. D. got there with a home run and McGuire made a double play.
So many of the boys fanned out that the catchers didn't need an electric fan.
There were 'steen kinds, colors and shapes of uniforms, and the girls said: "Don't be look cute!"
Dock Sheridan was a phenom in disguise and the way he reeled off a home run was worth the money.
Ramey struck out a few times than he landed a 3-bagger and made a home run. He can now write M. D. after his hind name.
Kinsler, Chauslor, Pecor, Gerhardt and Armstrong were there with the calves and they looked like the real things.—no fakes.
It was like watching the Cincinnati Reds to see Druggists Jim Wood, Millard Williams and Mike Swift fan out in the opening inning.
The Ladies of the Wilson Hospital sold \$10.45 worth of lemonade. The gate receipts were about \$30 and about \$10 worth of tickets were sold on the outside, making net receipts for Hospital over \$50.

BURDENS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony: The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully indorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."
